The Village is collecting your personal information in accordance with Section 26(c) of the *Freedom of Information and Protection of Privacy Act*. The Village collects your information for the purposes of administering Village programs and services, including permits and licensing services. If you have any questions, please contact the Freedom of Information Coordinator at Box 370, 1947 Beaver Street, Fruitvale, BC V0G 1L0 or info@village.fruitvale.bc.ca or 250-367-7551.

STREET WORKS PERMIT CONDITIONS

1. Shall at all times accept full responsibility for any accident that may occur, or damage that may be done to any person or property whatsoever, caused directly or indirectly by the use and occupation of the Works Area and shall save harmless and keep indemnified the Corporation of the Village of Fruitvale from all claims and demands whatsoever in respect of such use and occupation. All works undertaken within the Works Area shall be acceptable to the Public Works Department.
2. Shall repair any damage to as per MMCD standards and remove all excess material and debris from the Works Area prior to the expiration of the permit.
3. Shall provide a minimum of five (5) business days' notice or to prior to the commencement of the permit.
4. Shall submit a traffic management plan for approval prior to issuance of this permit when deemed necessary by the Public Works Department. The traffic management plan must be prepared in accordance with Village guidelines. The permit will not be issued until the traffic management plan is prepared to the satisfaction of the Public Works Department.
5. Shall prepare and distribute notification to all affected property owners, business operators, complete with a copy to jstartup@village.fruitvale.bc.ca. Notification shall include description/purpose of any works to be undertaken in the Works Area, dates when the work will begin and end, a description of mitigation measures if applicable, and contact information (name and telephone number).
6. Shall be responsible for care and control of any surface water runoff.
7. Shall keep Village boulevards and sidewalks adjacent to the Works Area, safe and in a clean condition during construction. Village streets and lanes adjacent to the Works Area must be kept clear of all materials, mud, and debris during construction. In the event that the surrounding streets become dirty as a result of construction, the Village will clean the streets and invoice the applicant at cost, if the applicant fails to do so immediately upon request.
8. Shall provide a valid copy of evidence of comprehensive general liability, including contractual liability and not-owned auto liability insurance in the amount of \$5,000,000.00. The Policy must name the Village as an additional insured insofar as the Village's legal liability arises out of the operations of the insured. The Policy is in full force and effect and shall not be cancelled, terminated materially altered or allowed to expire unless 30 days prior written notice has been given to the Village.
9. Shall keep the Works Area tightly sealed off to pedestrian and vehicular traffic and shall use the Works Area in accordance with the provisions of all Village bylaws and only for the purposes set out above.
10. Applicant must renew permit prior to expiration to avoid additional signage fees.
11. Shall notify the Village's Bylaw Department (250-367-7551) if unauthorized vehicles are parked in the area specified on the permit and clearly marked with signage.
12. Applicant declares that by applying for this Works Area Permit they acknowledge that this permit does not constitute Village approval to undertake any works on private property. Applicants are advised to obtain any necessary permits for proposed works from the Village and obtain any required approvals from property owners, as necessary.
