WINTER PREPARATIONS - BOULEVARDS

It's time for residents to prepare for the upcoming snow removal season, which means all recreational vehicles, basketball hoops, construction material, solar lights, flower planters, etc., must be removed from boulevards by **October 20**. It also means that it's time for residents to find off-street and off-boulevard parking for their vehicles.

Residents with fences bordering Village streets are reminded to ensure their fences are strong enough to withstand loads from snow plowed and pushed back to widen streets. Public Works takes extreme care when pushing back snow, but damage is possible. The Village of Fruitvale is not responsible for damage to fences or other objects that may occur during the course of performing regular duties.
