Area A Annual Town Hall Meeting – New Format!

Please mark your calendar for February 10 and join us at the Fruitvale Memorial Hall for the Area A Annual Town Hall Meeting.

This year, we're excited to introduce a new café-style format. Many of you are familiar with the traditional presentation-style meetings, and we're hoping this refreshed approach will encourage more participation, conversation, and connection. The goal is to make the meeting more inclusive, interactive, and engaging—while still clearly presenting the Area A Five-Year Draft Budget.

As a reminder, although the Area A tax requisition increased by 4% last year, the overall assessed value of Area A rose enough to result in a 0.055% decrease in property taxes. Every year brings a different scenario, and this meeting is a great opportunity to learn more and ask questions.

You'll be able to take part in table-side conversations with the managers of the services we contribute to, giving you direct access to information and insights. And of course, we'll have a few fun door prizes as well!

We hope you can join us—we look forward to seeing you there.

BC Winter Games – 2026

As many of you know, the figure skating events of the 2026 BC Winter Games will take place at the Beaver Valley Arena from February 25 to March 1, 2026.

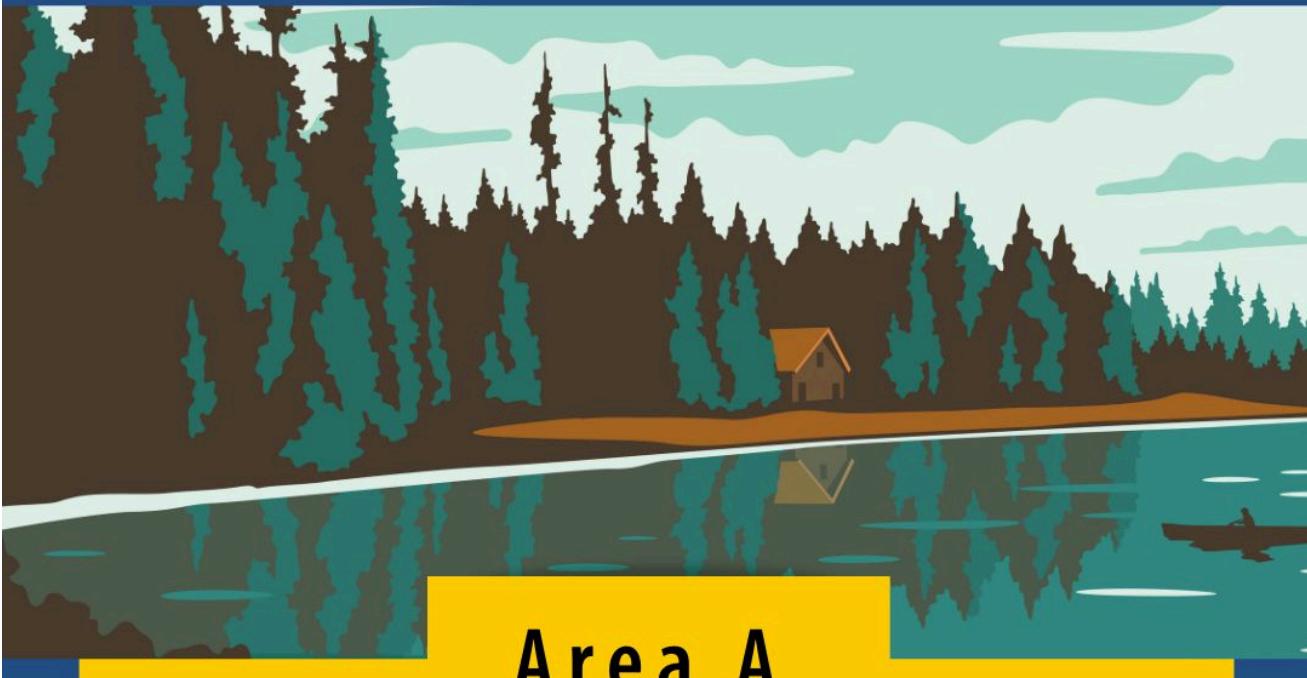

Fruitvale will be welcoming young athletes from across the province, and we can expect some truly outstanding performances. Hosting the Games is a major community effort, and its success depends heavily on local support.

If you're interested in volunteering, please consider registering through the Trail–Rossland 2026 BC Winter Games Volunteer Portal. Your involvement will help make this an unforgettable experience for athletes and visitors alike.

Mayor Wes Startup Village of Fruitvale

January 2026 has been one of the driest Januaries in memory and we didn't see much snow in December either. Although high elevation snowpacks are on track at 117% of normal, snow water equivalent measurements are indicating 30-40% of normal for the West Kootenay. The low snow water equivalent measurements along with very

low snow pack levels at mid-elevations are concerning from a drinking water perspective as our potable water system relies on melt water to replenish both our watershed and the local aquifer for our two wells. I'm hoping for more snow events in the next few months that will build up our water reserve. On the bright side the Village is seeing reduced costs for snow removal and sanding.

Residents continue to report that vehicle traffic is exceeding set speed limits within the Village. This is concerning especially in the areas of playgrounds, schools, residential side streets, and our childcare facilities. Please slow down adhere to the speed limits. If you observe speeding please report this to the RCMP.

Teck Resources has reached out to let the Village know that they have opened their Community Investment funding program for qualifying groups. Societies and nonprofit organizations could potentially benefit from funding and you can check out the application process on the Teck webpage or by following this link:
[Community Investment](#)

Blizzard Mountain Place is in process of vetting applicants for residency in the building with some suites already occupied. This is a great step forward in expanding our housing stock and utilizing our middle-school site. Welcome to all our new Fruitvale residents! I hope your stay is long and you have a chance to take advantage of all the Village has to offer. Council continues to work towards further development of the remaining middle-school site both short-term and long-term.

COUNCIL MEETING

Village of Fruitvale Council meets generally the 2nd Monday of the Month a 6pm. Public is invited to join in person in Council Chambers, 1947 Beaver Street or via zoom - Zoom Meeting: <https://us02web.zoom.us/j/3353726693>

● Youth Volunteer Opportunities

Feb 6 - Food Bank Tour

Meet us at the BV Food bank and join us for a Food Bank Tour! After we will have a light lunch and discuss what we learned! (Located across the road from the library)

Feb 7 - Up to Snow Good

Help us make buttons and stencils at Fruitvales Snow Good event! If you don't want to volunteer, bring a friend and see what we have!

Feb 14 - Family Day Event

Help us make buttons and other goodies at FANs Family Day event in the Fruitvale Memorial Centre! This event will be directly followed by bowling @ the BV Lanes in the same building!
