#### (4) Statement of Debts

##### 4 (1) (a) Debenture Debt

The Village issues debt instruments through the Municipal Finance Authority, pursuant to security issuing bylaws to finance certain capital expenditures.

Future principal requirements and actuarial adjustments on outstanding debenture debt over the remaining term to maturity are as follows:

|            |    |              |
|------------|----|--------------|
| 2026       | \$ | 66,566       |
| 2027       |    | 68,563       |
| 2028       |    | 70,620       |
| 2029       |    | 72,739       |
| 2030       |    | 72,739       |
| Thereafter |    | 1,681,497    |
|            |    | <hr/>        |
|            |    | \$ 2,032,724 |

Interest rate on debenture debt is 2.80% per annum.

| Issue | Term | CB Bylaw | SI Bylaw | LA Bylaw | MSIR       | Principal    |
|-------|------|----------|----------|----------|------------|--------------|
| 141   | 30   |          | 1628     | 865      | 2017-01-18 | 2,500,000.00 |

##### 4 (1) (b) Debt Reserve

#### DEBT RESERVE FUND

The Municipal Finance Authority of British Columbia (the "Authority") provides capital financing for regional districts and their member municipalities. The Authority is required to establish a Debt Reserve Fund. The Authority must then use this fund, if at any time there are insufficient funds, to meet payments on its obligations. If this occurs the regional districts may be called upon to restore the fund.

Each regional district through its member municipalities who share in the proceeds of a debt issue is required to pay into the Debt Reserve Fund certain amounts set out in the debt agreements. The Authority pays into the Debt Reserve Fund these moneys from which interest earned thereon less administrative expenses becomes an obligation to the regional districts.

| Debt Covered |      | Long-term debenture |          |          |            |                |             |
|--------------|------|---------------------|----------|----------|------------|----------------|-------------|
| Issue        | Term | CB Bylaw            | SI Bylaw | LA Bylaw | MSIR       | Principal      | Reserve     |
| 141          | 30   |                     | 1628     | 865      | 2017-01-18 | \$2,500,000.00 | \$30,031.00 |

**THE CORPORATION OF THE VILLAGE OF FRUITVALE**

**REPORT FROM THE CHIEF FINANCIAL OFFICER**

It is my pleasure to present the Corporation of the Village of Fruitvale's 2025 Audited Financial Statements, which includes the Independent Auditors' Report.

The financial statements are prepared by management in compliance with Section 167 of the Community Charter and in accordance with generally accepted accounting principles, as recommended by the Public Sector Accounting Board. Management is responsible for implementing and maintaining a system of internal controls to ensure that reliable financial statements and schedules are prepared, that the Village's assets are safeguarded, and that these financial statements are consistent with other reporting requirements of the Financial Information Act. Village Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and ensuring that internal controls are maximized.

These financial statements were audited by Grant Thornton, LLP, Chartered Professional Accountants. Their responsibility is to express an opinion on the financial statements based on the results of their audit. Their report concludes that these financial statements present fairly, in all material aspects, the financial position of the Village as at December 31, 2025. The external auditors have full and free access to Village Council.

Respectfully submitted,

Marcus Partridge, CPA, CGA, B. Comm

Chief Financial Officer

To the Mayor and Council of  
The Corporation of Village of Fruitvale

## Opinion

We have audited the financial statements of the Corporation of Village of Fruitvale (the "Village"), which comprise the statement of financial position as at December 31, 2025, and the statements of operations, change in net financial assets, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation of Village of Fruitvale as at December 31, 2025, and its results of operations, its changes in its net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Village in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. Exhibit 1-6 is presented for purposes of additional analysis and are not a required part of the financial statements. Such supplemental information has not been subject to the auditing procedures applied in the audit of the financial statements and accordingly, we express no opinion on it.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Village's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Village or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Village's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Village's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Village to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# **THE CORPORATION OF THE VILLAGE OF FRUITVALE**

## **NOTES TO THE FINANCIAL STATEMENTS**

**December 31, 2025**

### **1. SIGNIFICANT ACCOUNTING POLICIES**

#### **A) BASIS OF PRESENTATION**

The financial statements are the responsibility of management and prepared in accordance with Canadian public sector accounting standards ("PSAS"). The resources and operations of The Corporation of the Village of Fruitvale (the "Village") are segregated into various funds for accounting and financial reporting purposes.

#### **B) FUNDS OF THE VILLAGE**

The operations of the Village are divided into a number of funds with specific purposes. The financial statements include all the the accounts of the funds. All interfund transactions and balances have been eliminated within the financial statements. Fund statements are presented as supplementary information to the financial statements. The basic funds are briefly described as follows:

**Capital Funds** - These funds are used to reflect tangible capital assets offset by related long-term debt and investment in tangible capital assets.

**General Operating Fund** - This fund is the main fund of the municipality and is used to reflect the normal municipal operating activities including collection of taxation, administering operations, roads, policing, servicing general debt, etc.

**Reserve Funds** - These funds have been created to hold assets and to provide monies for specific purposes.

**Sewer Operating Fund** - This fund has been established as a self-liquidating fund to cover the costs of operating this utility.

#### **C) REVENUE RECOGNITION**

##### **Taxation**

Annual levies for non-optional municipal services and general administrative services are recorded as taxes for Village purposes. Levies imposed by other taxing authorities are not included as taxes for Village purposes. Taxes are recognized as revenue in the year they are levied. The Village is not reliant on revenue from any single taxpayer.

##### **Fees and charges**

Transactions where goods or services are provided for consideration include performance obligations to a specific payor, revenue from these transactions are recognized as the performance obligations are satisfied. Transactions without performance obligations are recognized when the revenue is received or receivable.

## NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

### 1. SIGNIFICANT ACCOUNTING POLICIES - Continued

#### D) REVENUE RECOGNITION - Continued

##### Government transfers

Government transfers are recognized as revenue in the period that the transfer is authorized, eligible criteria, if any, have been met by the Village, and a reasonable estimate of the amount can be made.

##### Investment income

Investment income is recorded on the accrual basis and recognized when earned. To the extent that the investments have no stated rate of return, investment income is recognized as it is received.

##### Gains (losses) from disposal of tangible capital assets

Gains (losses) from the disposal of tangible capital assets are recognized at the time of disposal.

#### D) ASSET RETIREMENT OBLIGATIONS

An asset retirement obligation is a legal obligation associated with the retirement of a tangible capital asset controlled by a government or government organization. The liability for an asset retirement obligation is recognized when all the following criteria are met:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

Asset retirement obligations are initially measured at the best estimate of the amount required to retire a tangible capital asset at the financial statement date. Asset retirement obligations are recorded as liabilities with a corresponding increase to the carrying amount of the related tangible capital asset. The obligation is adjusted to reflect period-to-period changes resulting from the passage of time and for revisions to either the timing or the amount of the original estimate of the future cash flows or the discount rate.

The asset retirement costs are amortized on a straight-line basis over the estimated useful life of the asset.

A recovery related to asset retirement obligation is recognized when the recovery can be appropriately measured, reasonably estimated, and it is expected that future economic benefits will be obtained. The recovery is not netted against the liability.

## NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

### 1. SIGNIFICANT ACCOUNTING POLICIES - Continued

#### E) LIABILITY FOR CONTAMINATED SITES

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all of the following criteria are met:

- an environmental standard exists;
- contamination exceeds the environmental standard;
- the Village is directly responsible and accepts responsibility; and
- a reasonable estimate of the amount can be made.

The liability would include all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. To date, no liability has been recorded.

#### F) TANGIBLE CAPITAL ASSETS

Tangible capital assets, comprised of capital assets and capital work-in-progress, are recorded at cost and are classified according to their functional use. Amortization is recorded on a straight-line basis over the estimated useful life of the asset commencing the year the asset is put into service. Work-in-progress is not amortized. Donated tangible capital assets are reported at the time of the donation. Estimated useful lives are as follows:

|                                                        |                 |
|--------------------------------------------------------|-----------------|
| Land improvements                                      | 15 to 100 years |
| Buildings                                              | 10 to 50 years  |
| Fixtures, furniture, machinery, equipment and vehicles | 5 to 20 years   |
| Technology                                             | 5 years         |
| Roads                                                  | 15 to 75 years  |
| Bridges and other transportation structures            | 50 to 100 years |
| Sewer infrastructure                                   | 30 to 75 years  |
| Drainage infrastructure                                | 75 to 100 years |

#### G) BUDGET

Budget figures shown represent the amended initial Five Year Financial Plan Bylaw No. 989 as adopted by Council December 1, 2025. Subsequent amendments may have been made to reflect changes in expenditures approved by Council and required by law.

#### H) ACCRUAL ACCOUNTING

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it is earned and measurable. Expenditures are recognized as they are incurred and measurable based upon cost of goods and services consumed.

# **THE CORPORATION OF THE VILLAGE OF FRUITVALE**

## **NOTES TO THE FINANCIAL STATEMENTS**

**December 31, 2025**

### **1. SIGNIFICANT ACCOUNTING POLICIES - Continued**

#### **D) USE OF ESTIMATES**

The preparation of the financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting period. Accounts receivable are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where necessary. Amortization is based on the estimated useful lives of tangible capital assets.

#### **J) FINANCIAL INSTRUMENTS**

The Village's financial instruments consist of cash and cash equivalents, investments, accounts receivable, accounts payable and accrued liabilities and equipment financing loans which are recoded at their cost/amortized cost.

#### **K) SEGMENTS**

The Village conducts its business through a number of reportable segments. These operating segments are established by senior management to facilitate the achievement of the Village's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

### **2. CASH**

Cash includes \$ 1,128,621 (2024 - \$ 1,103,134 ) of funds held in term deposits that are redeemable after 90 days, earning interest at 3.07% (2024 - 3.17 %) and \$ 1,120,905 (2024 - \$ 1,083,796 ) of funds held in MFA earning interest at 2.96%.

The Village has available a \$1,681,000 operating line of credit with Kootenay Savings Credit Union bearing interest at the Credit Union's prime lending rate; secured by Bylaw. As at the year end date, the Credit Union's prime lending rate of interest was 5.5% per annum. No amounts have been drawn on this line of credit.

### **3. INVESTMENTS**

The Village has term deposits with twelve month maturities earning interest at 2.80% to 3.07%.

### 5. DEBT RESERVE FUND

The Municipal Finance Authority of British Columbia (the "Authority") provides capital financing for regional districts and their member municipalities. The Authority is required to establish a Debt Reserve Fund. The Authority must then use this fund, if at any time there are insufficient funds, to meet payments on its obligations. If this occurs the regional districts may be called upon to restore the fund. Each regional district through its member municipalities who share in the proceeds of a debt issue is required to pay into the Debt Reserve Fund certain amounts set out in the debt agreements. The Authority pays into the Debt Reserve Fund these moneys from which interest earned thereon less administrative expenses becomes an obligation to the regional districts.

As at December 31, 2025, the total of the Debt Reserve Fund was comprised of cash deposits of \$30,930 and a demand note of \$36,274.

## NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

### 7. DEFERRED REVENUE

The Village of Fruitvale records deferred revenue for funds received for services not yet rendered and recognizes the revenue during the period in which the services are provided. The Village records deferred revenue when a contract specifies how the resources are to be used and therefore funds received in advance are deferred until the period in which the requirements are met. Because these funds are restricted in nature, they are shown as liabilities.

# THE CORPORATION OF THE VILLAGE OF FRUITVALE

## NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

### 7. DEFERRED REVENUE - Continued

The Village of Fruitvale receives Gas Tax funding provided by the Government of Canada. The use of funding is established by a funding agreement between the Village and the Union of British Columbia Municipalities. Gas Tax funding may be used towards designated public transit, community energy, water, wastewater, solid waste and capacity building projects, as specified in the funding agreements. Gas Tax funding not spent in the year it is received is recorded as deferred revenue and is held until the Village undertakes an eligible project. The following provides a summary of funds received that comprise the unearned revenue amount on the Statement of Financial Position.

|                                         | 2025       | 2024       |
|-----------------------------------------|------------|------------|
| Opening balance of unspent funds        | \$ 152,567 | \$ -       |
| Add: Amount received during the year    | 152,567    | 152,567    |
| Less: Amount spent on approved projects | (147,074)  | -          |
| Closing balance of unspent funds        | \$ 158,060 | \$ 152,567 |

### 8. DEBENTURE DEBT

The Village issues debt instruments through the Municipal Finance Authority, pursuant to security issuing bylaws to finance certain capital expenditures.

Future principal requirements and actuarial adjustments on outstanding debenture debt over the remaining term to maturity are as follows at interest of 2.80% per annum:

|            |              |
|------------|--------------|
| 2026       | \$ 66,566    |
| 2027       | 68,563       |
| 2028       | 70,620       |
| 2029       | 72,739       |
| 2030       | 72,739       |
| Thereafter | 1,681,497    |
|            | \$ 2,032,724 |

# THE CORPORATION OF THE VILLAGE OF FRUITVALE

## NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

### 9. ASSET RETIREMENT OBLIGATIONS

Existing laws and regulations require the Village to take specific actions regarding the removal and disposal of certain capital assets at the end of their useful life. Asset retirement obligations related to general and sewer infrastructure capital assets are amortized over the remaining expected useful life of the related assets.

The Village has adopted this standard prospectively. Under the prospective method, the discount rate and assumptions used on initial recognition are those as of the date of adoption of the standard. Estimated costs totaling \$2,285,003 have been discounted using a present value calculation with a discount rate of 4.76%. The discount rate used is based on borrowing rate for liabilities with similar risks and maturity. The timing of these expenditures is estimated to occur between 2026 and 2054 with the regular replacement, renovation, or disposal of assets. No recoveries are expected at this time. The Village issues debt instruments through the Municipal Finance Authority, pursuant to security issuing bylaws under authority of the Local Government Act, to finance certain capital expenditures.

### 13. CONTINGENCIES

The Corporation of the Village of Fruitvale, as a member of the Regional District of Kootenay Boundary, is jointly and severally liable for the borrowing of this authority. At December 31, 2025, the promissory note is \$37,669 (2024 - \$37,669).

The Village of Fruitvale is a member of the Municipal Insurance Association of B.C. (M.I.A.B.C.). M.I.A.B.C. is licensed to operate a reciprocal insurance exchange under section 302 of the Insurance Act. M.I.A.B.C. is a municipal self insurance program, supplying general liability coverage to their members up to a maximum of thirty five million dollars. Members are liable for their deductible and a pro-rated share of any claims exceeding their deductible.

In the normal course of a year, the Village is faced with lawsuits and claims for damages of a diverse nature. The outcome of these claims cannot be reasonably determined at this time.

# THE CORPORATION OF THE VILLAGE OF FRUITVALE

## NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

### 14. PENSION LIABILITY

The Corporation of the Village of Fruitvale and its employees contribute to the Municipal Pension Plan (a jointly trustee pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2024, the Plan has about 273,000 active members and approximately 133,000 retired members. Active members include approximately 47,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2024 indicated a \$2,675 million funding surplus for basic pension benefits on a going concern basis.

The next valuation will be as at December 31, 2027.

The Corporation of the Village of Fruitvale paid \$83,524 (2024 - \$92,507) for employer contributions while employees contributed \$77,244 (2024 - \$85,551) to the plan in fiscal 2025.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate resulting in no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

### 15. BUDGET RECONCILIATION

The reconciliation of the approved budget Bylaw No. 989 for the current year to the budget figures reported in these financial statements is as follows:

|                                            |             |
|--------------------------------------------|-------------|
| Budget surplus per Statement of Operations | \$ 845,207  |
| Less: capital expenditures                 | (3,725,586) |
| Less: debt principal repaid                | (52,582)    |
| Less: transfers to other funds             | 2,932,961   |
|                                            | <hr/>       |
|                                            | \$ -        |

## NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

### 16. SEGMENTS

The Village provides a range of services to its ratepayers. For each reported segment, the revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

Refer to Schedule 2 - Segmented Information

### 17. COMMITMENTS

The Village of Fruitvale entered into agreements with the following vendors to purchase and complete projects related to tangible capital assets totalling \$722,804

- Insituform Technologies Limited - \$25,216 for manhole rehabilitation
- Gally Equipment Services Ltd - \$697,588 to replace the water main pipe

### 18. FINANCIAL INSTRUMENTS

#### Credit Risk

Credit risk is the risk of financial loss to the Village if a debtor fails to discharge their obligation (e.g., pay property taxes to the Village). The Village is exposed to this risk arising from its cash, investments and accounts receivable. The Village holds its cash accounts with a federally regulated chartered bank who is insured by the Canadian Deposit Insurance Corporation.

The Village's investment policy operates within the constraints of the investment guidelines laid out in Section 183 of the Community Charter, which puts limits on the types of investments the Village may invest in. The Section permits the Village's funds to be invested in securities of the Municipal Finance Authority; specified pooled investments; securities issued by the Government of Canada, a Canadian province, municipality, or regional district; investments guaranteed by a chartered bank; and deposits in savings institutions or non-equity or membership shares of a credit union.

Accounts receivable is primarily amounts due from government (grants receivable) and Village residents. The Village mitigates credit risk by regular submission of reporting requirements for grants receivable. Property tax receivable risk is mitigated by regular notification to the residents of outstanding amounts and ultimately tax sale for tax recovery, if necessary. If an accounts receivable is held for a long period of time, an impairment allowance is setup to offset the receivable. There were no changes in exposures to credit risk during the period. The amounts outstanding at year end were as follows:

#### Liquidity Risk

Liquidity risk is the risk that the Village will not be able to meet all cash outflow obligations as they come due. The Village mitigates this risk by monitoring cash activities and expected outflows through extensive budgeting and maintaining investments that may be converted to cash in the near-term if unexpected cash outflows arise. The following table sets out the expected maturities, representing undiscounted cash-flows of its financial liabilities:

|                                          | 2025       |
|------------------------------------------|------------|
| Accounts payable and accrued liabilities | \$ 629,945 |

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

# THE CORPORATION OF THE VILLAGE OF FRUITVALE

## NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025

### 18. FINANCIAL INSTRUMENTS - Continued

#### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Village operates within the constraints of the investment guidelines in Section 183 of the Community Charter. The investment portfolio is monitored by management, the investment managers, and Council.

#### Currency risk

Currency risk arises from the change in price of one currency in relation to another. The Village is not exposed to this risk as it does not transact in foreign currencies.

#### Interest rate risk

Interest rate risk is the potential for financial loss caused by fluctuations in the fair value or future cash flows of financial instruments because of changes in market interest rates. The Village mitigates this risk by having a fixed rate of interest for its debt. The Village also ensures that they have sufficient cash to meet the outstanding debt obligation if interest rates should rise. The Village monitors expected cash outflow through budgeting and maintenance of loans payable and investments. There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

#### Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk). The Village is not exposed to other price risk as the Village does not have any investments in equity instruments.
